LARGE CROWDS TURNED AWAY FROM PERFORMANCE OF "WAKE UP AMERICA" FILM

It is stated that there were three times as many people turned away last night from the Lincoln Auditorium as could gain admittance to see the great patriotic film "Wake Up America!" The people began flocking to the Auditorium shortly after 7 o'clock and by 7:30 the spacious room was filled to capacity and the doorkeepers were telling the people there was no more room inside.

And the film was all that the promoters said for it in advance—and more. It is one of the greatest productions ever seen in this country and tells the story of German atrocities in France and Belgium in a stronger manner than could be recounted by tongue.

Shifting the scene, America is shown as being awake to the emergency and thousands upon thousands of khaki-clad Liberty Boys are seen taking ship for over seas to battle with the barbarous Huns. There seemed to be a never-ending line of them and then they sailed away, disappearing in the distance on the great ships.

Last night the 63rd Infantry Regimental Band from the Presidio came to Richmond and they are some band, believe us. There is a snap and go to their music which is impossible to resist. Along with the band came the band soloist, W. Conley, corporal of the 63rd Regiment and Miss Rose Schumer, who impersonated Columbia and did a military toe dance.

W. J. Burns was the lecturer and his descriptive work was extremely lucid and comprehensive.

The great patriotic film was shown here this afternoon and will be shown again this evening. Corporal Conley will be with us this evening and he sang for the matinee performance. The Fort Scott Coast Defense Artillery Band of forty pieces will be one of the chief attractions this evening. It is expected that the Auditorium will be crowded again this evening, but the first to come will be the first served, of course. The room can only accommodate a certain number of people. The film will close its engagement in this city with the performance this evening.

FINAL FUNERAL TO TAKE PLACE MONDAY

The funeral of Charles R. Final, who died in Merritt Hospital Thursday evening after a lingering illness, will take place at the Undertaking parlors of Bert Curry on Monday afternoon at 3 o'clock. The remains will be interred in Sunset View cemetery.

The dead man has beeen a resident of this city for the past twelve years, during which time he has been employed in the machine shops of the Standard Oil company. His wife died about three years ago

BRITISH LOSS ESTIMATED AT 225,000 MEN

WASHINGTON, May 4.—British losses in men killed, wounded, captured and missing on the western front since the German offensive began March 21 are estimated by the British mission here at nearly 250,000.

WASHINGTON, May 4. — In a statement today giving this calculation, the mission said everything indicates the offensive will be continued almost immediately and that if the brunt of the attack is borne again by the British, the situation will become serious unless the British troops are supported by sufficient reserves.

GERMANS LOSE 400,000.

PARIS, May 4. — The German losses in the recent offensive are estimated at 400,000, by the correspondent of the Matin, who is at the front.

German reserves are placed at 650,000. More than 150,000 are only slighted wounded and will be able to return to the firing line.

The class of 1920 will provide 450,000 by autumn. This it will be possible for the Germans to repeat the offensive on the same scale only once more.

FOREIGN BORN POPULATION SUPPORT LOAN LIBERALLY

The committee dealing with the foreign born population in the matter of the Third Liberty Loan have about finished their work and with extremely satisfactory results, according to Chairman A. Papadakis. He declares that some of the nationalities have done exceedingly well, but there are others which have done very little. Take the Germans as an example. Thus far they have subscribed in the aggregate the sum of $6350, but there are thirty of them in town who have not yet given the committee their final answer. There are fifteeen Greeks who have done nothing yet. Some of them will come forward with subscriptions and others will not.

There are six Chinese in town. Three of them bought bonds and three have not. The Frenchmen have all bought bonds. They stand at 100 per cent.

But one colored man has purchased a bond. There are several who should show their patriotism for the United States, but they do not seem to be very patriotic as a class. Here they are by nationalities:

Germans	$6350
Portuguese	7050
Greeks	6700
Japanese	5500
Chinese	150
Syrians	50
Italians	2400
Swiss	200
French	3850
Colored	50

The Italians are very slow in making out their report. There are a large number of them in town and it is expected they will subscribe liberally, but thus far no report has been turned in. The same condition exists for the Swedes and Mexicans. No reports have been forthcoming for either as yet.

It is expected that a full report concerning the entire foreign-born population will be turned in by the first of the week, at which time it will be given to the public.

BIG VAUDEVILLE SHOW SUNDAY AT T. & D.

Three big fine looking fellows with voices that correspond to their looks and with a repertoire of all the latest songs constitute the hugely interesting trio Ives, Farnsworth and Leahy who present the wonderful singing act entitled "We that sing" as one of the headliners at the Richmond Theater's big Sunday vaudeville show tomorrow.

The other headliner will be Edythe Sterling, known wherever the Mutual films have been shown as the heroine of "The Grafters," "Stain of the Vampire" and other films. Miss Sterling will appear in person in a number of her newest and most entertaining features. She is known as the "Girl with the million dollar smile."

Other entertaining acts will be the unusual hand balancing work of Delevan Brothers, masters of the breakaway perch ladder exhibition and Daphne and Nadra, piano and violin artists. On the picture program will be Earle Williams in the Greater Vitagraph feature "In the Balance" and the Pathe News.

ITALIAN FRONT RECEIVES THE ATTENTION OF HUN WARRIORS

VIENNA, Friday, May 3, via London, May 4.—Heavy fighting along the whole Italian front between the Adriatic and the Giudicaria valley in the north is reported in today's official statement.

PARIS, May 4.—Spirited artillery fighting along the Avre river on the front southeast of Amiens is reported in today's official statement.

LONDON, May 4. — An intense bombardment was opened by the Germans this morning against the French and British positions between Locre and a point south of Ypres, the war office announced today.

(The sector between Locre and the Ypres-Comines canal, south of Ypres, was the scene of the violent battle last Monday, when the Germans were severely defeated after repeatd attmpts to break the Anglo-French grip on the line of hills west of Kemmel. It is in that zone that the Germans have been attempting to drive northward in order to extend a circle around Ypres and compel its evacuation. The bombardment today indicates that the Germans will renew their efforts in that district. Locre lies just inside the Belgian frontier.)

The British improved their positions northeast of Hinges during the night. Two German machine guns were captured.

The French carried out a successful local enterprise in the sector of Locre, capturing some prisoners.

The Germans have been showing increased activity in the sectors of Nieppe forest and Meteren about midway along the Flanders battle line.

GREAT INTEREST IS SHOWN IN ELECTION

Considerable interest is being shown today in the election for school trustee. The term of office of J. O. Ford has expired and Mrs. H. A. Stiver wants to be elected in his stead. For the past few days the friends of Ford have been rallying to his support and as Mrs. Stiver has been making a rather strenuous campaign the result is problematical.

So far it seems to be largely a contest between the women and men of the district. The former believe they are entitled to representation on the board and will leave no stone unturned to accomplish that end.

DEPARTED FOR THE EAST

Mrs. M. E. Church, wife of the well known Santa Fe conductor, departed for Northern New York last night in response to a telegram announcing the serious illness of her brother.

U. S. MARSHAL WOULD STAMP OUT RIDERS AS MENACE

SAN FRANCISCO, May 4.—Reports that secret organizations styling themselves Knights of Liberty, Ku Klux Klan and other names have been formed in from twelve to twenty cities of northern California, threatening to lynch pro-Germans, today led United States Marshal James B. Holohan to telegraph to Washington asking authority to swear in deputy marshals in those places to prevent violence.

The information concerning the organizations and their threatened violence has been conveyed to Holohan in letters, telephone messages and personal visits.

SAN JOSE, May 4.—Threats of mob violence led Henry Eichberger, possessor of a Liberty Bond, to turn himself over to the police here early today. He was locked up with George Roetzer and William Schmidt, also held in jail for protection at their own requests.

Eichberger, returning home last night, found a note under his door saying:

Henry, we are coming to get you the same way as we did Roetzer.

KNIGHTS OF LIBERTY

Letters containing only white feethers are said to have been received by two garage employes who were reported to have made remarks favoring the German cause.

CADILLACS AND ELKS TO PLAY BALL TOMORROW

Tomorrow at the First street grounds the Central California League season will open when the Richmond Elks will meet the Don Lee Cadillacs of San Francisco.

The Elks have been practicing during the week and are in shape to put up a great battle. Hollis will be on the firing line for the Elks and Arlett for the Cadillacs so the fans should see a great battle.

The opening ceremonies will be put on by Mayor Lane who will pitch the first ball and H. W. Tuller will try and receive the same. There will be a parade with the band and base ball teams from Sixteenth street to the ball grounds and Manager Dietrich would like to have all those that have machines to be at Sixteenth street by 1:30 and get in the parade.

The other games in the league tomorrow will be Marines at Crockett and the Oakland Commission Merchants at Pittsburg.

ENTERTAINS RICHMOND BOY SCOUTS

Some 20 boy scouts of the First Presbyterian church were entertained at the home of their Sunday school teacher, Mrs. McKenna, Bissel avenue last night. A very fine time was enjoyed with games, music and refreshments.

RICHMOND CLUB LADIES' FEED REGIMENTAL BAND BOYS

The Richmond Club ladies served dinner last night to the members of the 63rd Regimental Band from the Presidio, which came over here to help entertain the crowds that went to see "Wake Up America!" At the conclusion of the dinner the band gave the ladies a concert in front of the clubhouse at 12th and Nevin.

Those who had the matter in charge of feeding the boys were Mesdames Ogborn, Schramm, Burdick, Peterson, Stewart, and Smith, acted as committee. Miss Helen Smith, Rosalie Anderson, Winfred Conwell and Ida Ogborn served the meal.

STORES ANNOUNCE CLOSING TIME FOR TONIGHT

The stores of Richmond who are members of the Merchants Association announce that all stores of the city will close this evening as follows: All clothing and dry goods stores will close at 9 p. m. and all grocery stores will close at 8 p. m.

It is understood that this order is to be effective for this evening only and announcement will be made regarding the closing hours for Saturday nights some time next week.

SAVES HAND, BUT LOSES ONE FINGER

After a consultation of specialists several days ago, it was decided not to amputate the entire hand of R. Colclough, who is at the Craven hospital, and only a finger was taken off. He is suffering with blood poison.

HURT BACK IN FALL

H. Jackson, Pinole, is at the Craven hospital suffering with a badly injured back, received when he fell from a scaffold while working at the powder works.

LIBERTY BOND DRIVE BRINGS LOTS OF CASH TO SUPPORT BIG WAR

The sum which Richmond will return to the government for the purchase of Third Liberty Loan Bonds will aggregate to at least $525,000, according to figures given out by Chairman Charles J. Crary just after the noon hour today. He says the city has done much better than the committee expected at the outset of the campaign and that he is very much pleased over the results.

Of course it is impossible to state just what the amount will be until after the returns are all in and the amounts checked up, but the above figures are approximately correct.

Many of the stores about town have turned in 100 per cent reports for their employes. This is true, also of the Standard Oil company, the Pullman shops, the Stauffer Chemical company and the Santa Fe railroad. These concerns have all come through "clean" and there are others, but the writer cannot give their names to the public at the present time, for the information is not available.

The great bond drive for the Third Liberty Loan closes tonight at 9:30 o'clock and so far as Richmond is concerned this city has nothing to reproach herself with. The city has acquitted herself nobly and the people of the town have come forward, loyally and liberally to the support of the government.

Still, there are some here—a very few—who have not done their duty as citizens of the United States. They are financial slackers, but thank God there are not a great many of them. They are neither patriotic, nor are they good citizens of the Republic. And we are not preaching to those who are unable to buy bonds by reason of not being in a financial position to do so. There are some who through sickness or misfortune that cannot buy bonds, but for the most part it is those who have been cramped for money who are doing something out of their small income.

ONE UN-AMERICAN WOMAN

An Oregon newspaper of last month contains the following statement:

"The action of the Portland library association in voting to retain Miss Hunt, librarian, who said that she would rather be ravished by a Hun than contribute to the support of America, is the most amazing incident that has occurred in the State of Oregon since the United States entered the war. The fact that the board later accepted her resignation does not wipe out the stain. She should have been dismissed."

Certainly she should have been dismissed and her punishment should not have stopped there. There are women in the prisons of the United States whose offense was far less than that of the Portland woman. Nor can her statements be excused on the ground of ignorance. A woman who has sufficient mentality to serve as librarian in Portland evidently has enough mental capacity to understand the serious world-problem today, and only viciousness can be given as a reason for such anti-American statement.

In most of the red-blooded States of the union women with desires as Miss Hunt's statement indicates she is possessed of, are segregated in districts where the ruby light predominate or they are confined to cells in city jails.

Rather the satisfaction of a German beast's carnal pleasure than even the smallest mite of support to America's splendid manhood, which has gone forth to spill its life's blood, if need be to protect the weak and innocent. Fortunately for Miss Hunt she does not live in California. Possibly it is fortunate that, even residing in Portland, she is a woman. Regardless of sex, position or any other consideration, however, there should be the strictest punishment for such as she.

The personnel of the library association also will bear investigation. No body of true Americans would tolerate such a dastardly statement. And yet they were reluctant in dispensing with her services. Only one of two conditions can prevail in the minds of such men. They are either the wishy-washy sort of white-livered nonentities one finds occasionally or they are viciously opposed to America in the present critical war. To retain a person with such ideals in a position where she might exercise even the smallest influence on the children of American homes who naturally would come within her sphere, is little short of treason.

Oregon, as a whole, thank God, is not of the opinion that is held by the library board. Oregon has "come through clean" in support of the government and the entire State cannot be held responsible for the one pestilent manifestation of pro-Germanism.

What a pity that Miss Hunt cannot be transported at once to a German military camp that her desires may be fulfilled and thus, in addition to accomplishing her ends, substitute herself for one pure and noble woman of France or Belgium, to whom such thoughts stand as far worse than death.

Pro-Germans are voluntarily going to jail in different parts of the country to keep out of the way of the Night Riders. That is a good place for them. They should all be in jail and kept there until after the end of the war, at least.

THE LAST DAY TO BUY A BOND

Admit you are a failure as a man and an American if you have no Liberty Bonds at the end of this day.

The blood of our soldiers is on your head if you have five dollars in your pocket and have not signed up for a Liberty Bond.

Baron von Edelshein wrote in 1901. "The question for us to consider is what plans must eventually be developed to put a stop to the over-reachings of the United States which are detrimental to our interests. It is by armed action that we must ultimately force our will upon that country."

The man who has not answered that with a Liberty Bond is a German subject in truth and fact.

The man who has a job and who has not signed up for a Liberty Bond by night is a quitter.

"Be as terrible as the huns under Atilla," said the kaiser to his soldiers.

May the ghosts of our dead on the battle field in France haunt the man who has not bought a Liberty Bond by the time the banks close in Richmond tonight.

The Third Liberty Loan ends tonight. Millions of Americans have subscribed to it.

The infamy of the man who is able to subscribe and did not will live after his death.

Money withheld from Liberty Bonds is stained with blood.

Pontius Pilate failed when he tried to wash his hands of the blood of Christ.

There is no excuse for an American not buying a Liberty Bond.

For our homes, our country, and our God let each one of us pay five or ten dollars down on a Liberty Bond before this day is set.

The blood of our dead calls to us. Harken.

Police heads in the various towns about the bay are vehemently stating that when the Night Riders visit their respective towns they will not be able to pull off anything like they did in Richmond, San Jose and other places where tar and feather parties were organized. Perhaps not. But just the same the Riders have a way of doing things which is difficult to circumvent. For instance they do not tell anybody they are going to do anything until after they have done it—and then they don't. The police of San Francisco may be the Argus-eyed individuals they claim to be, and after they have captured a band of fifty or so Riders red-handed at their work, then we may be convinced of their prowess. Until that time we are from Missouri.

BE CAREFUL AFTER FEVER, COLD OR GRIP

Many Fatal Cases of Kidney Trouble Can be Traced to oSme Infectious Disease

Colds, fevers and infectious diseases very often leave the kidneys weak. So little attention is given the condition of the kidneys during recovery from the original trouble that a severe attack of kidney disease often follows. Here's how it happens. The kidneys are worked hard enough in healthy times. They have to filter the blood. In any germ disease the blood is loaded with extra poisons made by the disease germs. This overwork tends to awaken the kidneys. After colds, grip, scarlet fever, typhoid, measles, pneumonia, diphtheria, tonsilitis or chisken pox, watch for backache and urinary disorders, and promptly use Donas' Kidney Pills. Richmond people have found Doan's reliable in many forms of kidney trouble.

Here is a Richmond experience:

Mrs. L. E. Clark, 148 Thirteenth street, says: "An attack of the grip left my kidneys in bad condition and I suffered untold agony from lame back. I had severe and pains acvross my kidneys. I felt nervous and never seemed to get thoroughly rested up. I was troubled by shortness of breath and had headaches and dizzy spells, too. I got three boxes of Doan's Kidney Pills at Niedecker's Drug Store and they cured me, making me feel like a different woman."

Stomach Trouble Cured

Oakland, Oct. 2, '17
My stomach was my master for many years. I am a clerk in the office of the lumber department of the S. P. Co., and after every meal I had an annoying, grating sensation, together with an empty feeling in my stomach. Through lack of nourishment my health was broken and I was in a hospital for several weeks. The doctors first cleaned me out with a stomach pump. Then they treated me for ulcers, and finally, as I did not improve, they observed my digestion through an X-ray. Concluding that they could do nothing for me they sent me home with the suggestion of an operation.
Then a fellow employee who had received a great benefit by drinking the FONG WAN CHINESE HERBS suggested that I try them. The first cup of tea brought me genuine relief, and after a few weeks I was entirely cured. I am back in the office and will be glad to give my personal testimony to any desiring it.

BIG RED CROSS ENTERTAINMENT AT SAN PABLO

As announced a few days ago by the Record-Herald, the Catholic ladies of St. Pauls' church at San Pablo will give a big whist party and dance for the benefit of the Red Cross on Friday evening, May 10th. It will be a very pretentious affair, according to the committee of ladies who are arranging for the event, for they are doing everything possible to provide such attractions that everybody can have a pleasant evening.

This committee is the same one which has been providing the whist party entertainments at St. Paul's hall for the past few years and those who have attended these functions know they are entirely capable in every way. At the affair Friday night there will be dancing and whist and several prizes will be offered. There will be refreshments and the best of music. All are invited to come and participate. The admission will be only 25 cents.

Have your suit cleaned and pressed at Black's, Tenth and Macdonald. Phone 723. We call and deliver prompt service and good work.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.

LIBERTY BOND DRIVE BRINGS LOTS OF CASH

(Cotinued from page One)

A dispatch from Washington today says:

With only a few hours of the Third Liberty Loan campaign remaining, the total of subscriptions today rose nearly to the three billion dollar level, leaving a big task for loan workers to gather in enough eleventh-hour pledges to insure the billion or two over-subscription sought by the Treasury.

Official reports last night showed $2,940,640,400, an increase since the night previous of $189,283,700, which is the biggest day's business recorded since the campaign opened four weeks ago.

The campaign will close officially at midnight tonight, local time, and most of the country's 27,000 banks will remain open through the evening to accomodate procrastinating bond buyers. Without doubt, the day will be the biggest of the campaign. The total will be boosted by the recording of subscriptions already made, but not supported by initial payments and consequently not officially reported.

Treasury officials apparently were not over-hopeful that the loan would run to four billions or more and therefore they were insistent that campaign committees get every possible subscription.

The headquarters' review again emphasized that it is necessary to pay only five per cent of the subscription when the pledge is entered, the balance to be paid by installments later.

The Chicago and Boston federal reserve districts were the fourth and fifth districts, respectively, to go over the top. Both reported over-subscriptions today. The San Francisco and Dallas districts also claimed to have passed their goals, but on the face of official returns, each had 98 per cent and a contest between them is looked for to determine which shall have sixth place on the honor roll of districts.

Gerald Follett, second son of former Councilman and Mrs. G. A. Follett, is a member of a machine gun company and is now training at Camp Fremont. Gerald is about eighteen years of age and he disappeared from home last Monday morning without announcing his intention to enlist. However, his parents received a letter from him last Wednesday imparting the information that he had joined his cousin's machine gun company, had been inoculated with the first shot of anti-typhoid germs, had a bran-new uniform and except for a lot of technical training, is a full-fledged soldier.

Paul Follett, Gerald's elder brother is a member of the flying squadron and at the present time is undergoing intensive training at the University of California training school. He passed the examination several weeks ago and now is holding himself in readiness for call for active duty. When his commission arrives he will be a cadet of aviation and when he learns to fly he will be a second lieutenant.

The Folletts come of fighting blood. The grandfather of these boys is a civil war veteran and at the present time is an inmate of the soldier's home at Yountville, this state.

Lieutenant T. H. DeLap, writing to friends in this city a few days ago, says he is still being drilled for his work in the great war and probably will be called to the front in a short time. He tells of an automobile ride through the country on a few days' leave of absence and describes France as being the most beautiful land on the face of the earth. He tells very little about the war, but says he is getting along fine and is gaining in weight every day.

Ross Calfee is with the 363rd Regiment of Infantry and still at Camp Lewis, Washington. That regiment will in all probability be transferred to an Eastern cantonment in a short time to make room for the new men who are being called to the colors in the latest orders from the war department.

Tsar calfee is engaged in buying auto trucks and piloting train after train of them to the Atlantic seaboard overland, where they are taken aboard ships and sent to France. He has a great many men under him and spends all his time on the road, between the large automobile manufacturing centers and the Atlantic Coast.

Mrs. H. F. Grasser of San Pablo has received a letteer from her son, Horace, now stationed at Key West, Fla., saying everything is fine and that he had a good time on Easter Sunday, one lady giving the boys 200 pounds of candy. On April 14th they had a Liberty Bond parade, 1800 bluejackets taking part. He wishes to be remembered to all his friends.

Ray Howland, who is now at San Pedro, where he is with the Naval Reserve, was home for a visit with his mother and friends this week.

R. B. Van Vleet, formerly captain of one of the fleet of the Island Transportation company and has been making his home in this city for the past few years, is with the 37th Regiment of Engineers and at the present time is stationed at Fort Meyer, Virginia. The 37th is composed of technical men who are competent to do anything in the way of construction work and running anything from a motor truck to a trans-Atlantic liner. For the most part they will be engaged in handling electric lighting and plants for the manufacture of gas to make it unpleasant for Heine the Hun. They expect to embark for overseas in a short time.

R. H. Kerr of Hercules is in receipt of a letter from his son, Hans, who is now somewhere in France serving the U. S. The young man departed from Camp Lewis on February 2nd and arrived in New Jersey on the 9th. He had a pleasant trip across the continent with the exception of some holdups which occurred on the way. There is some shameful grafting going on at stations along the route, soldiers being forced to pay double the price of a civilian for their lunches, delicacies and trinkets. Hans says it is not like California in this regard.

Edward Hemleb of Pinole departed for San Pedro last Monday, where he entered the naval service of Uncle Sam. Before departing the young man was presented with a beautiful gold ring by the K. of P. Lodge of which he is a member. The token is emblematic of the order and is testimony that the young man stood high in the esteem of his brother Knights. Ted has many friends in Pinole who wish him luck and success and a safe return after the war.

There are many reasons why certain business men succeed, and these are known as "general" instances; but there is something of vastly more importance, the "specific" instance. The successful business man you will find will attribute his success to these "specific" instances, among which you will find the predominating factor of systematic advertising. Are YOU doing anything "specific" Mr. Business Man? NOW is an opportune time to formulate, and to put in action that contemplated campaign of advertising that you have so long neglected, to your detriment.

Phone Richmond 70, and ask for Advertising Manager, and he will call and give you the minute details on systematic advertising.

Eat Less Meat If Back Hurts

Take a glass of Salts to flush Kidneys if bladder bothers you

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.—Advt.
